

**Employment
Opportunity**

Plumbing/Mechanical Inspector I

**Resumes Currently Being Accepted At City of Phoenix
Personnel Department located at 135 N. 2nd Ave**

Experience

Requires a verifiable minimum of three years experience as a journeyman plumber installing complex systems on commercial or industrial projects. A current Journeyman Plumber's license issued by the City of Phoenix is a preferred qualification. A copy of this license must be attached to the resume.

Pay Range

The *Inspector I* position currently has an annual pay range from **\$42,058** to **\$61,734**. Upon completion of two years experience as an Inspector I and attainment of appropriate certifications, an *Inspector I* can promote to *Inspector II*, which has a pay range of **\$46,218** to **\$67,974**.

Duties

Perform inspection of new and existing plumbing, heating, ventilating, and cooling systems on commercial and industrial projects such as hospitals, manufacturing facilities, high rise structures, and other technically complex installations to ensure full compliance with applicable Codes, Regulations, and Standards. This position is required to learn mechanical installation principles and all applicable Plumbing and Mechanical Codes, Regulations, and Standards.

Evaluation

Resumes and cover letters will be evaluated based upon applicant experience and a comprehensive summary of types of work the candidate has performed or supervised, names of employers, and details regarding related qualifications, certifications, training, and special abilities. All supervisory or management experience (Foreman, General Foreman, Superintendent) should be noted. Qualified candidates may be chosen for interview before a panel of individuals who will further assess the abilities of each applicant.
