

# VOLUNTEERS NEEDED!!

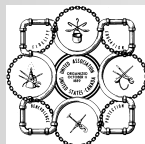

**PHOENIX INDIAN MEDICAL CENTER**

The Building Trades has been asked to provide volunteers for a project at the Phoenix Indian Medical Center. Volunteers will be needed to paint the medical center's hallways. The nurses here at the Phoenix Indian Medical Center are the only nurses in the valley covered by a collective bargaining agreement. Let's show our support for the unionized nurses and patients of P.I.M.C!

**When: October 12th, 13th & 14th**

*If you would like to volunteer, please leave your name and contact number for Chris Van Kirk at (602) 956-9350 ext. 112.*
