WARD I

**REGINA ROMERO
DEMOCRATIC**

As our city continues to grow, demands on our human, fiscal and natural resources are increasing. To meet these demands, we must invest in services to our families, be more accountable and efficient in the use of our tax dollars, and protect our desert environment and urban neighborhoods through sound planning. Our campaign is focusing on:

- Securing funds for our neighborhoods and parks
- Safe and secure streets
- Investing in seniors, children and youth
- A downtown for **ALL OF US**
- Accountable use of our tax dollars

We have many challenges before us, but together we can create a brighter future for ourselves, our children and our grandchildren. Please contact me with your issues or concerns.

Thank you,
