

RX Optical on 43rd Avenue and Bell Road has closed and is moving to a new location under a new name. We are now located on the N.E. corner of 67th Avenue and the 101 Freeway, in the Safeway Shopping Center. The office is now called **EYE STYLES OPTICAL**, and is located at 20249 N. 67th Avenue (Between Blockbuster and Starbucks) We will continue to work with the Local 469 Vision Insurance Plan. Along with the high quality and service that we have always provided, we will now also offer many new frame lines, including many designer styles. We are expecting to be open early in February and will have doctors available for eye exams. We can continue to be reached at (602) 547-1901. We thank you for your past support, and are looking forward to seeing you soon!
