MEDICAL GAS SYSTEMS INSTALLERS CLASS

Date: Oct. 26, 28, 30, Nov. 2, 4, 6, 9 & 13th
Time: 4:00 pm - 8:00 pm Tuesdays and Thursdays
     8:00 am – 4:00 pm Saturdays
Location: 1926 E. 13th Street
         Tucson, AZ  85719

We will need a minimum of 10 students to conduct the class. Please register ASAP.

NFPA 99-2005 *Standard for Health Care Facilities* is covered in this class. Installers include anyone who works on or installs piping or components, in healthcare facilities including dental offices. The purpose of this class is to provide the minimum performance criteria, for Medical Gas Systems Installers to assure compliance with ASSE Standard 6010.

Students will be required to successfully complete a written examination as well as a brazing practical in which you will be required to braze vertical and horizontal full-penetration joints on 1 ½” copper tubing.

Each student will need to provide and bring to class, highlighters and page tabs for their provided code book.
